FROM THE SENATE INTERNAL SECURITY SUBCOMMITTEE

Senator James O. Eastland (D-Miss) today put into the record of the Senate Internal Security Subcommittee, of which he is chairman, an extension of the ~~xx~~ testimony of Msgr. Bela Varga, leader of the anti-Nazi underground in Hungary during World War II and speaker of the Hungarian Parliament in 1946-47.

The testimony was taken by Chief Counsel Robert Morris in New York city yester day afternoon.

Senator Eastland stated, in releasing the testimony of Msgr. Varga, that it would indicate that the uprising in Hungary reflects the hostility of the people to every shade of Communist dictatorship from the Titoist to the Stalinist variety.

The chairman also expressed admiration for the Hungarian people who, he said, were, by their action, doing more than the entire free world to roll back Soviet conquest.

Msgr. Varga, in his testimony, stressed that, if the United Nations ~~Stakes~~ does not act in response to this Soviet aggression, it will have done much to destroy the confidence of the world in its moral authority.
